

Behavioral Health Committee Meeting

Advancing Our Community

December 13, 2007

2:30 - 3:15

Centennial Hall

In attendance: Gordon Blue - SCPS, Anita Didrickson – Raven’s Way, Annette Becker - YAS, David Voluck - YAS, Marilee Fletcher & Greg Traulin – DBH

Marilee discussed the Department of Behavioral Health’s position on community planning, particularly with DBH grantees. She explained that the 10 Community Action Plan Components may change in the next grant cycle.

The group reviewed the Behavioral Health Committee Goals and Objectives from January, 2006 and agreed that they continue to be relevant and to use them while also taking them under review. They were officially adopted.

The group also reviewed the Behavioral Health Services grid and agreed to review and update it soon.

There was a discussion about including other behavioral health service providers into this group, especially a representative from Sitka Tribe.

The group agreed to review the Goals and Objectives and Services grid in order to update at the next meeting, scheduled for January 11, 2008.
